

Task Overview & Rules

You are required to answer the following **two questions in a video with your camera turned on**:

1. **Tell me about yourself.**
You may research online to understand how to effectively answer the “**Tell me about yourself**” question in a job interview.
2. **How has programming benefited you?**
Explain how learning and practicing programming has helped you, such as improving your problem-solving skills, logical thinking, creativity, career opportunities, or other areas of your life.

You may use your own words and add relevant points or sentences to make your answers more effective and meaningful.

- **Time Limit:** Your video must not exceed **5 minutes** in total. Both questions must be answered within this 5-minute time limit
- **Dress Code:** Please wear clean and neat attire.
- **Camera Rules:** Your camera must remain ON for the entire recording. Ensure your face is clearly visible and recorded in a quiet environment.
- **Language:** English is preferred, but Bangla is also acceptable.

Submission Instructions

1. Record your interview video (Maximum 5 minutes).
2. Upload the final video file to your personal Google Drive. (*Other platforms like YouTube will not be accepted*).
3. Ensure the Google Drive link sharing is set to “Anyone with the link”.
4. Please enter the Google Drive link in the appropriate field of the submission form.

Note: Any inaccessible links, or videos exceeding the 5-minute time limit will receive 0 marks.

Total Marks: 60

Must achieve at least 80% marks
